

Rosario, June 2022

The Associate Ombudsmen (acting) of the Province of Santa Fe, **Mr. Gabriel Savino and Mr. Jorge Henn**, are pleased to invite you to the **International Mediation Congress “An approach to Conflict in the Global Agenda”** to be held on July 5, 6 and 7, 2022, in the Hall of the Rosario Board of Trade building (*Bolsa de Comercio*), on Paraguay 755.

This event will be relevant across the five continents, with renowned national and international experts participating on a hybrid in-person and remote mode. Simultaneous Spanish and English interpretation will be available.

The focus of this Congress is Conflict. We will be analyzing its possibilities of intervention within the agendas of right-protecting institutions, and we aim at producing excellent theoretical and practical materials that will have an impact on the current realities of our country and abroad.

This year marks the 30th anniversary since mediation became a subject of research to be integrated into the Ombudsman Office of the Province of Santa Fe. The Center for Mediation and Conflict Resolution of this institution also turns 27 this year. This Center inspired the creation of more institutes of its kind in Argentina. In celebration of these milestones, the Ombudsman Office of the Province of Santa Fe organized this International Congress with support from the International Ombudsman Institute (IOI), the Ibero-American Ombudsperson Federation (IFO), the Latin American Institute for Ombudsman-Defender of the People (LAIO) and the Association of Ombudsmen of the Argentine Republic (AOAR).

Registration is free and open. You are welcome to sign up on the Ombudsman Office website: www.defensoriasantafe.gob.ar

We look forward to your valuable presence. Please receive our warmest regards.
